

**June 17th, Sat – Unofficial Annual Whitewater Rafting Trip**

*Location: Near Buena Vista at the rafting company's location; details on time and directions will follow those who have booked. Contact: [dale.peterson@alumni.stanford.edu](mailto:dale.peterson@alumni.stanford.edu)*

The Brown's Canyon 16-mile full-day trip is one of the most popular adventures offered by the River Runners company. River Runners has been leading trips for over 50 years. The trip is suitable for everyone from first-timers to seasoned rafters. It starts with easy whitewater, giving beginners enough experience in the first part of the trip so they can enjoy the larger rapids later. There is a professional guide in every raft. We break for lunch in a wooded setting. Our group has a discounted price, which includes all gear and lunch. The cost is \$110 per person, discounted from the \$150 that companies typically charge for this trip. Please try to book by June 3rd. This helps the company prepare for the group size, though the company will accept bookings after that date. The price includes lunch. If you are a vegetarian or have special dietary requirements, please advise River Runners when you book. To book, please do both of the following:

- Contact River Runners directly at 719-395-2466. Tell them you are with Dale's group, quote number #334-4299165. Pay the fee in one or two installments.
- RSVP to Dale at: [dale.peterson@alumni.stanford.edu](mailto:dale.peterson@alumni.stanford.edu)

Those of us who are interested will have dinner afterwards at a local restaurant and enjoy the nearby hot springs.
